

FUELS:

CountryMark Diesel Fuel: From heavy-duty farm and construction applications to on-road use, CountryMark diesel fuels are engineered for maximum power and efficiency. Our premium diesel fuels are refined from 100% American crude oil for the highest quality fuel available.

Our premium off-road fuel, **Super Deselex-4**, has one of the highest natural cetane indexes in the industry. That means faster starts, increased horsepower, maximum fuel economy and extended life of the fuel system. Compare the numbers on [Super Deselex-4](#) with any other diesel fuel on the market.

Premium Diesel-R is a premium, on-road fuel with a high cetane index, ultra low sulfur levels and detergent additives for cleaner injectors and improved stability. Check out the cetane and [diesel index numbers](#) on this all-American fuel!

Our **#2 Diesel ULS** also boasts ultra low sulfur levels. This on-road diesel offers dependable performance mile after mile and is backed by the extensive technical and sales resources of CountryMark's refining and distribution system.

PLUS Gasoline™ CountryMark PLUS gasoline has three distinct features.

- 1) It's made from 100 percent American crude oil.
- 2) It includes a 10 percent blend of ethanol.
- 3) Every grade of CountryMark PLUS gasoline includes a new, top tier performance package that will help you get better fuel economy

Burn CountryMark PLUS gasoline and you'll enjoy:

- 1) better fuel economy
- 2) cleaner air
- 3) longer engine life
- 4) unsurpassed anticorrosion protection
- 5) fuel stability

With all these benefits, it's no wonder that Top Tier-designated fuels are now the preferred fuel for many leading vehicle companies, including BMW, General Motors, Toyota, Volkswagen, Audi, and Honda. To have all-American, CountryMark PLUS gasoline delivered to your business or farm, contact SynEnergy Partners.

TRANSPORTATION/CONTRACTING:

SynEnergy Partners also offers Transport loads and forward contracting. Ask us how we can help you save and get more per gallon.

Diesel Engine Oil

Advantage Full Synthetic Heavy Duty Diesel Engine Oil
API CJ-4/SM
SAE 5W40

Advantage Heavy Duty Diesel Engine Oil
API CJ-4/SM
SAE 15W40

CountryMark Diesel Engine Oil
API CJ-4/SM
SAE 15W40 and 10W30

CountryMark Diesel Engine Oil
API CJ-4/SM
SAE 10W, 20W20, 30, 40 and 50

Hydraulic Oil

Advantage Anti-Wear Hydraulic Oil (4000 hours)
ISO 22, 32, 46, 68, 100

Advantage Multi-Viscosity AW Hydraulic Oil All-Season Anti-Wear Hydraulic Oil with dielectric additives

CountryMark AW Hydraulic Oil (2000 hours)
ISO 32, 46, 68

CountryMark Turbine (Rust & Oxidation) Rust and Oxidation (ash less) Hydraulic Oil
ISO 32, 46, 68, 100, 150, 220

Gasoline Engine Oil

Advantage Full Synthetic Gasoline Engine Oil
API SM (available August 2010)

Advantage Synthetic Blend Gasoline Engine Oil
API SM
SM SAE 5W20, 5W30, 10W30 and 10W40

Grease

Advantage Multi-Purpose Grease Blue - (NLGI - GC - LB) - EP#2

Advantage High Temperature Grease Black - 3% Moly - (NLGI - GC - LB) - EP#2

Advantage Extreme Grease Red - Tacky - (NLGI - LB) - EP#2

Tractor Hydraulic Fluid

Advantage Premium Tractor Hydraulic Fluid

Transmission Fluid

Advantage Full Synthetic Manual Transmission Oil
MT50

Advantage ATF DM
Older ATF performance (2005 and older)

CountryMark ATF Multi-Vehicle
Compatible with 1983 to current models

CountryMark ATF - Type F

Advantage Semi-Fluid Grease
Amber - (NLGI - LB) - EP#0, #00 and #000

Miscellaneous

CountryMark Bar and Chain Oil

CountryMark Bar and Chain Oil (Heavy)

CountryMark Drip Oil

CountryMark Form Release Oil (Concrete Form Oil)

CountryMark Heat Transfer Oil

CountryMark Vacuum Pump Oil

CountryMark Way Lube

CountryMark 2 - Cycle Oil
Small Engine Oil
Marine TCW-3
