DISCLAIMED AND STONATURE												
I, the undersigned, certify (1) That I have read the foregoing employment application, and understand that failure to provide true and correct information will lead to non-hire or termination. (2) That I am the person described and duly qualified to work except as otherwise stated; and that if employed by the above named Corporation, I agree that such employment is made with the full right of the employer to terminate such employment at any time and for any reason, with or without notice. (3) I understand and agree that prior to employment, and from time to time during my employment, I may be required to take and pass a drug or alcohol screen as a condition of hiring or continued employment. (4) Upon an offer of employment as a condition of actually beginning employment, I hereby agree to submit myself, on request, to a thorough examination by physician of said Company's selection. I further understand and agree that the results of such examination may serve to disqualify me for a particular job or physician during the period of my employment. I will in no way hold the doctor or doctors who perform the examination, the clinic where the examination performed, or said Company responsible in any way. (5) I understand that part of the procedure for processing an employment application may be an inquiry concerning previous employment. I give the Company unconditional authorization to make such inquiry and release the Company from any and all liability or damages for compiling such information. I similarly release my past and present employers from any and all liability in connection with furnishing such information. (6) I understand that this application will be considered active for a period of six months only, and that I will not be considered for employment after six months from the date of this application unless I complete a new application at that time. (7) While performing duties for Posey County Coop, you may be required to work at a facility that is regulated by OSHA for Process Safety Management.
